

## Planning Appeal for Land East of Oakley Road, Bromham, 80 dwellings and ancillary works

At the recent Bedford Borough Council Planning Meeting, Councillors were asked for their view on the application as to whether or not they would have granted the application to build 80 new homes to the east of Oakley Road. The majority of the committee agreed they would have voted in favour of the speculative planning application, on the outskirts of Bromham. Bromham Parish Council are unanimously **against** this planning application and need your support to further convince the Planning Inspectorate of why this proposed develop should not go ahead. The deadline for doing so is **12th December 2019**.
